

CHAPTER 25 – WATER, SEWERS AND SEWAGE DISPOSAL

Non-Potable Water Service.

Sec. 25-68 Water; Non-Potable Water Service; Promulgation and Enforcement of Procedures and Regulations.

(a) The Utilities Director shall have the authority to promulgate procedures and regulations relative to the City non-potable water distribution system with respect to the following matters and which procedures and regulations shall become effective in the manner provided by this Code:

- (1) Application procedures and requirements including execution of a Non-Potable Water Use Service Agreement.
- (2) Installation requirements, including specification of acceptable materials, devices and regulations to help prevent backflow or cross-connections with other systems, all of which shall be subject to right-of-way permits and construction procedures approved by the City Engineer. System development requirements, including onsite facilities needed for a customer to receive non-potable water service from the point of delivery, will not be subject to any reimbursement or refund by the City. A customer must pay all costs to extend the Non-Potable Water Distribution System necessary to serve that customer including onsite and offsite facilities.
- (3) Procedures for enforcement of the ordinances and regulations pertaining to non-potable water including, but not limited to, procedures for inspection of the customer's system and requiring appropriate signage pertaining to use of non-potable water.
- (4) Procedures for the orderly expansion of the City non-potable water distribution system.
- (5) Procedures and regulations for the efficient operation of the City non-potable water distribution system.
- (6) The time of day or night during which customers may use non-potable water.
- (7) The maximum rate of use for non-potable water.

(b) It shall be unlawful for any individual or customer to construct, operate, maintain, or allow to remain present on property owned or controlled by them, any device or system that is connected to or that controls a device or system connected to the City's non-potable water distribution system that is not in compliance with all provisions of this Code related to non-potable water and with all procedures and regulations promulgated pursuant to this Chapter. In addition to any other Civil Sanctions that may be imposed by law, any individual or customer who owns or controls property upon which a non-complying device or system is found shall be
